**YEAR 2011 Party Booking Form.**

Our birthday parties cater for all ages of children. The main children's party package consists of half an hour grooming the ponies and learning about the pony, then an hour riding when they each have their own pony. The riding will be tailored to suit the groups' ability and leaders will be provided as appropriate. Usually the riding will consist of warming up followed by mounted fun games.

The minimum number for our parties is 6.

A rosette is provided for each child. All you need to do is bring them along and if you wish, provide a birthday cake. You may also use our gallery area if you wish to bring your own food, or hire a mobile catering unit if you prefer.

The price for the birthday party is £25 per person.

Please note that we require a £50 non-returnable deposit.

Confirmation of booking will be sent once deposit is received.
